border-left: 2px solid; padding-left: 10px;">50 pieces

How many models can you provide us with?

What is the average number of pieces per model?

In case you supply some of our popular models and it requires larger quantities to meet the increasing demand, can you provide us with additional quantities of the same models?

Raw Materials:

Please provide information about the raw materials used in the production process:

Production Seasons:

Which seasons does your production cover?

Product Prices

How do you classify your product prices?

Very Low

Challenges and Aspirations:

What are the obstacles or challenges you currently face in your business?

What do you aspire to achieve through a partnership with Kadinle as a supplier?

References and Certificates:

Do you hold any certificates related to quality, sustainability, or ethical practices (such as ISO or fair trade)?
